Auditor's Responsibility

Our responsibility is to form a conclusion, based on our engagement, and to report our conclusion to you.

We conducted our engagement in accordance with Hong Kong Standard on Assurance Engagements 3000 (Revised), Assurance Engagements Other than Audits or Reviews of Historical Financial Information and with reference to Practice Note 851 (Revised), Reporting on the Annual Financial Reports of Non-governmental Organisations issued by the HKICPA. We have planned and performed our work to obtain reasonable assurance for giving conclusion 1 and obtain limited assurance for giving conclusion 2 below.

The work undertaken in connection with this engagement is less in scope than an audit conducted in accordance with Hong Kong Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

In relation to our conclusion 1 below, we have planned and performed such procedures as we considered necessary with reference to the procedures recommended in PN 851 (Revised), to satisfy ourselves that the AFR has been properly prepared, in all material respects, in accordance with the relevant accounting and financial reporting requirements set out in the LSG Manual and other instructions issued by the SWD.

In relation to our conclusion 2 below, we have obtained an understanding in respect of the purposes of the use of the funds as specified in the LSG Manual and other instructions issued by the SWD and obtaining an understanding of the control procedures. We are not required to perform any procedures to search for instances of the use of funds from the LSG by the Organisation being non-complied with the specified purposes. Our work was limited to reporting non-compliances identified as a result of the procedures performed in relation to conclusion 2 and during the normal course of our work relating to conclusion 1. The procedures performed in a limited assurance engagement vary in nature and timing from, and are less in extent than for, a reasonable assurance engagement. Consequently, the level of assurance obtained in a limited assurance engagement is substantially lower than the assurance that would have been obtained had a reasonable assurance engagement been performed.

Conclusion

1. In our opinion, the AFR of the Organisation for the year ended March 31, 2023 is properly prepared, in all material respects, in accordance with the relevant accounting and financial reporting requirements set out in the LSG Manual and other instructions issued by the SWD.
2. Based on the procedures performed and evidence obtained, nothing has come to our attention that causes us to believe that the use of the funds from the LSG by the Organisation has not complied, in all material respects, with the purposes as specified in the LSG Manual and other instructions issued by the SWD.

Intended Users and Purpose
